ART

Fascinating designs

One of the works.

▶ Sapna Dube, a Bengaluru-based artist, is currently exhibiting her works till May 1, at Venkatappa Art Gallery, Kasturba Road.

The exhibition is titled 'Technicolour dreams'. Known for her unique style of intricate work and bright coloured drawings, her art brings to life a world where Yakshagana characters run rampant, kaleidoscopic mandalas hypnotise and dahlias dance in a funky parallel universe.
